ROUGH RIVER DAM GOLF COURSE

This 9-hole par 3 course is located in Falls of Rough, Kentucky. It features 1,389 yards of golf from the longest tees for a par of 27. The golf course opened in 1974.

This predominantly hilly course does have some flat fairways. The wide fairways are tree-lined, and the large greens putt true. There are no sand bunkers or water hazards in play on the course. The signature hole is #4, a 158-yard, par 3, requiring a tee shot from off an elevated tee that must carry a ditch before reaching the elevated green.

One of the finest par 3 courses in the Kentucky State Parks system, offering a golf shop, club rental, golf car rental, and putting green.
